CODE OF CONDUCT TRAINING CERTIFICATION

Steps to complete the code of conduct training:

Adobe Channel Training Center Enrollment Instructions Existing User?

If you have logged into the ACTC in the past year your username will be the same but your password information has been deleted. You will need to create a password.

Step 1: Visit https://adobe-channeltraining.sabacloud.com

Step 2: In the login box, follow the steps to create a new password by clicking on the "Forgot your password' link

Step 3: Receive your new password by email and use that to log in to the new ACTC. (The email will be sent from adobe@sabacloud.com)

Step 4: Explore the training center and you'll find that all your content and all your transcripts were retained for you

Step 5: Use the Search function to find the training course of your choice and jump right in!

First-time user?

Follow the instructions below to enroll at the ACTC and create your user profile

Step 1: Find the security keyword for your country below

EMEA Region	Security Keyword
Benelux:	APC-Benelux
Central Europe:	EMEA-Certified
Eastern Europe:	APC-EEUR
Middle East & Africa:	APC-MEA
Nordics:	APC-Nordics
Southern Europe:	APC-South
United Kingdom & Ireland:	APC-UK

Step 2: Visit https://adobe-channeltraining.sabacloud.com and create your new user profile. *Be sure to use the email address associated with your Adobe ID for your username. Step 3: Click Sign Up.

Step 4: Save your password for future reference.

Step 5: You will now have access to the ACTC where you can begin taking courses immediately

You can also login to the Adobe Channel Training Center and search the catalog:
